EDWARD HYATT, State Engineer

Water Code:
This license is granted and licensee accepts all rights herein confirmed subject to the following provisions of the
Section 1625. Each license shall be in such form and contain such terms as may be prescribed by the Department.
Section 1626. All licenses shall be under the terms and conditions of this division (of the Water Code).
Section 1627. A license shall be effective for such time as the water actually appropriated under it is used for a useful and beneficial
purpose in conformity with this division (of the Water Code) but no longer.
Section 1628. Every license shall include the enumeration of conditions therein which in substance shall include all of the provisions
of this article and the statement that any appropriator of water to whom a license is issued takes the license subject to the conditions therein
expressed.
Section 1629. Every licensee, if he accepts a license, does so under the conditions precedent that no value whatsoever in excess of
the actual amount paid to the State therefor shall at any time be assigned to or claimed for any license granted or issued under the provisions
of this division (of the Water Code), or for any rights granted or acquired under the provisions of this division (of the Water Code), in respect
to the regulation by any competent public authority of the price of the services to be rendered by any licensee or by the holder
of any rights granted or acquired under the provisions of this division (of the Water Code) or in respect to any valuation for purposes of sale to
or purchase, whether through condemnation proceedings or otherwise, by the State or any city, county, municipal water district, irrigation
district, lighting district, or any political subdivision of the State, of the rights and property of any licensee, or the possessor of any rights granted,
issued, or acquired under the provisions of this division (of the Water Code).
Section 1630. At any time after the expiration of twenty years after the granting of a license, the State or any city, county, and county,
municipal water district, irrigation district, lighting district, or any political subdivision of the State shall have the right to purchase the works
and property occupied and used under the license and the works built or constructed for the enjoyment of the rights granted under the license.
Section 1631. In the event that the State, or any city, county, municipal water district, irrigation district, lighting district,
or political subdivision of the State so desiring to purchase and the owner of the works and property can not agree upon the purchase price,
the price shall be determined in such manner as is now or may hereafter be provided by law for determining the value of property taken in eminent
domain proceedings.
